REPORT TNG-003

TITLE: Person Hours of Training by Administration/Location

DESCRIPTION: This report contains summary counts of the total number of hours and % of total hours spent in training for various grade level and wage system groupings by submitting office.

FREQUENCY: Quarterly and upon request. Overnight turnaround is adequate.

CURRENCY OF DATA: As of the last PMIS update prior to the end of the quarter or prior to the report request.

CLASSIFICATION: This report does not contain sensitive data.

DATA REQUIRED FOR REPORT:

General: System date, page number, total number of pages, submitting office name table, etc.

Personnel Data: Training data (dates and duration), GS rating, organization.

Calculated Data: Total number of hours spent in training during this fiscal year by GS groupings (1-4, 5-8, 9-12, 13-15, 16-18); total General Schedule; total wage sytem; other pay plan; and grand total. In addition, the percent is calculated for each category based upon the total number of person hours worked per category.

SELECTION OPTION: This is a national report and will not be selectable by field locations. Copies of pertinent portions of the report may be sent to the responsible submitting offices upon request.

SORT: Sorted by submitting office number (SON).

SUMMARIES: Subtotal lines are printed for headquarters organizations, regions, and laboratories. In addition, an EPA-wide summary is also printed.

CONTROL BREAKS: A page break will occur after the printing of each summary.

HEADINGS: Should appear on each page of the report.

FOOTINGS: None required.

FORM: Standard.

APPROXIMATE VOLUME: 4 pages.

REPORT TNG-003A

TITLE: Person Hours of Training by Administration/Region/Location, Sex and Pay System

DESCRIPTION: This report contains summary counts of the total number and percent of hours spent in training for various grade level and wage system groupings by sex within submitting office. Total number of employees in each organization and appropriate subtotals are included.

FREQUENCY: Quarterly and upon request. Overnight turnaround is adequate.

CURRENCY OF DATA: As of the last PMIS update prior to the end of the quarter or prior to the report request.

CLASSIFICATION: This report does not contain sensitive data.

DATA REQUIRED FOR REPORT:

General: System date, page number, total number of pages, submitting office name table, etc.

Personnel Data: Training data (dates and duration), sex, GS rating, organization.

Calculated Data: Total number of hours spent in training during this fiscal year by sex; by GS groupings (1-4, 5-8, 9-12, 13-15, 16-18); total General Schedule; total wage system; other pay plan; and grand total. In addition, the percent is calculated for each category based upon the total number of person hours worked per category.

SELECTION OPTION: This is a national report and will not be selectable by field locations. Copies of pertinent portions of the report may be sent to the responsible submitting offices upon request.

SORT: Sorted by submitting office number (SON).

SUMMARIES: Subtotal lines are printed for headquarters organizations, regions, and laboratories. In addition, an EPA-wide summary is also printed.

CONTROL BREAKS: A page break will occur after the printing of each summary.

HEADINGS: Should appear on each page of the report.

FOOTINGS: None required.

FORM: Standard.

APPROXIMATE VOLUME: 8 pages.

REPORT TNG-004

TITLE: Participants in Training by Administration/Region/Location and Pay System

DESCRIPTION: This report contains summary counts of the number and percent of personnel in various pay plans and grade levels who received training during the last fiscal year by submitting office.

FREQUENCY: Annual (Fiscal Year). Overnight turnaround is adequate.

CURRENCY OF DATA: As of last PMIS update prior to the end of the fiscal year.

CLASSIFICATION: This report does not contain sensitive data.

DATA REQUIRED FOR REPORT:

General: System date, page number, number of pages, submitting office name table; etc.

Personnel Data: Pay plan, grade, organization, training data and date.

Calculated Data: Percentage of population = number of personnel who received training during the last fiscal year in each pay plan (and grade group GS 1-4, 5-8, 9-12, 13-15, and 16-18 for General Schedule employees) and organization divided by the total population within the same category.

SELECTION OPTION: This is a national report and will not be selectable by field locations. Copies of pertinent portions of the report may be sent to the responsible submitting office as appropriate.

SORT: Sorted by submitting office number (SON).

SUMMARIES: Subtotal lines are printed for headquarters organizations, regions, and laboratories. In addition, an EPA-wide summary is also printed.

CONTROL BREAKS: A page break will occur after the printing of each summary.

HEADINGS: Should appear on each page of the report.

FOOTINGS: None required.

FORM: Standard.

APPROXIMATE VOLUME: 4 pages.

REPORT TNG-006

TITLE: Participation by Females and Minorities

DESCRIPTION: This report displays the total number of employees in each submitting office, total number of minority employees and percent of total and minority employees trained in each submitting office by sex. This data must be available for the quarter and year-to-date.

FREQUENCY: Quarterly and upon request. When requested, overnight turnaround is adequate.

CURRENCY OF DATA: As of the last PMIS update prior to the end of the quarter, or prior to the report request.

CLASSIFICATION: This report does not contain sensitive data.

DATA REQUIRED FOR REPORT:

General: System date, page number, number of pages, submitting office name (table lookup), etc.

Personnel Data: Minority code, sex, training data, and start date in organization.

Calculated Data:

1) Percent minority = total minorities divided by total employees (by sex).
2) Percent employees trained = total employees trained divided by total employees (by sex).
3) Percent minority trained = total minority trained divided by total minority employees (by sex).

SELECTION OPTION: This is a national report and will not be selectable by field locations. Copies of pertinent portions of the report may be sent to the responsible submitting office as appropriate.

SORT: Sorted by submitting office number (SON).

SUMMARIES: Summary subtotal lines are printed for headquarters organizations, regions, and laboratories. In addition, an EPA-wide summary of all organizations is printed.

CONTROL BREAKS: A page break will occur after the printing of each summary.

HEADINGS: Should appear on each page of the report.

FOOTINGS: None required.

FORM: Standard.

APPROXIMATE VOLUME: 6 pages.

REPORT TNG-007

TITLE: Minority Participation by Hours of Training

DESCRIPTION: This report summarizes the total available hours, total hours in training, percent available hours in training, and percent minority available hours in training in each submitting office by sex. This data must be available for the quarter and fiscal year to date.

FREQUENCY: Quarterly and upon request. When requested, overnight turnaround is adequate.

CURRENCY OF DATA: As of the last PMIS update prior to the end of the quarter or prior to the report request.

CLASSIFICATION: This report does not contain sensitive data.

DATA REQUIRED FOR REPORT:

General: System date, page number, number of pages, submitting office name (table lookup), etc.

Personnel Data: Sex, minority code, and training data.

Calculated Data: 1) Percent of available hours in training = total hours in training divided by total hours available.

2) Percent of minority available hours in training = total minority hours in training divided by total minority hours available.

SELECTION OPTION: This is a national report and is not selectable by field locations. Copies of pertinent portions of the report may be sent to responsible submitting offices as appropriate.

SORT: Sorted by submitting office number (SON).

SUMMARIES: Summary subtotal lines are printed for headquarters organizations, regions, and laboratories. In addition, an EPA-wide summary of all organizations is printed.

CONTROL BREAKS: A page break will occur after the printing of each summary subtotal line.

HEADINGS: Should appear on each page of the report.

FOOTINGS: None required.

FORM: Standard.

APPROXIMATE VOLUME: 6 pages.

REPORT TNG-008

TITLE: Fiscal Year Summaries

DESCRIPTION: This report summarizes the percent of person hours spent in training; percent of payroll expended on training; training cost in dollars; instances of training; and instances of long term training by submitting office.

FREQUENCY: Annually (fiscal year).

CURRENCY OF DATA: As of the last PMIS update prior to the end of the fiscal year.

CLASSIFICATION: This report does not contain sensitive data.

DATA REQUIRED FOR REPORT:

General: System date, page number, number of pages, submitting office name, etc.

Personnel Data: Organization, training data, salary.

Calculated Data:

1) Percent of person hours in training = number of person hours in training divided by total number of person hours.

2) Percent payroll in training = total salary paid during training divided by total salary paid.

3) Training cost in dollars = total salary paid during training plus course cost plus other reimbursables accrued while in training.

SELECTION OPTION: This is a national report and is not selectable by field locations. Copies of pertinent portions of this report may be sent to responsible submitting offices as appropriate.

SORT: Sorted by submitting office.

SUMMARIES: Summary subtotal lines are printed for headquarters organizations, regions and laboratories. In addition, an EPA-wide summary of all organizations is printed.

CONTROL BREAKS: A page break will occur after the printing of each summary subtotal line.

HEADINGS: Should appear on each page of the report.

FOOTINGS: None required.

FORM: Standard.

APPROXIMATE VOLUME: 4 pages.
